3D Systems to Attend 26th Annual Needham Growth Conference

ROCK HILL, South Carolina, January 8, 2024 – [3D Systems](http://www.3dsystems.com) (NYSE:DDD) announced today that management will participate in the 26th Annual Needham Growth Conference on January 17, 2024.

President and CEO, Dr. Jeffrey Graves will participate in a fireside chat at 1:30 p.m. Eastern Standard Time and will participate in individual meetings alongside members of the company's leadership team throughout the day.

A live webcast of the conference presentation will be available on [3D Systems' Investor Relations page](#). The link will be live just prior to the start of the event and will be available for on-demand viewing approximately 24 hours after the event is complete. The webcast recording will be available for a limited time following the conference.

About 3D Systems

More than 35 years ago, 3D Systems brought the innovation of 3D printing to the manufacturing industry. Today, as the leading additive manufacturing solutions partner, we bring innovation, performance, and reliability to every interaction - empowering our customers to create products and business models never before possible. Thanks to our unique offering of hardware, software, materials, and services, each application-specific solution is powered by the expertise of our application engineers who collaborate with customers to transform how they deliver their

products and services. 3D Systems' solutions address a variety of advanced applications in healthcare and industrial markets such as medical and dental, aerospace & defense, automotive, and durable goods. More information on the company is available at www.3dsystems.com.
